Dear Mr. Griffin

On behalf of the founding team of the GOATZ Token, we wish to formally offer you \$44 million worth of \$GOATZ tokens to acquire non-fungible token (NFT) copies of the Constitution that you recently acquired. The US Constitution is one of the Greatest documents Of All Time (GOAT). This document is truly a GOAT, as it is a worldwide symbol of democracy and capitalism.

We would like to create a series of 10 NFT's based on your copy of the Constitution. As part of the terms of the offer, in addition to the \$44 million of GOATZ tokens, the GOATZ community would only take a 10% fee for the sale of each Constitution NFT sold on the GOATZ platform. The community feels that each NFT could generate between \$3-5million in sales, which could potentially total \$50 million in sales. And you would retain your ownership of the physical copy of the constitution.

On behalf of the GOATZ community and founders, we look forward to your response. This offer is valid until January 30th, 2022.
